## UNIFORM

A reminder for all families that students are expected to be wearing correct uniform to school. Staff have been discussing with the girls the appropriate length of their kilts being knee length or longer. Leggings or skins are not part of the Lara Secondary College uniform and should not be worn as an alternative to kilts or trousers. Socks are to be plain with no slogans or branding, and can be either black or white in colour.

## IMMUNISATIONS

A number of the Year 10 students were not present for the immunisations due to sporting commitments. We have been able to organise a catch up session for those who were not immunised. This will take place on the 30<sup>th</sup> July, the same date as the immunisations for the Year 9 students, and the second round of immunisations for the Year 7’s.

## EXAMS

Exams for students in Years 10 and 11 will begin on Friday, 5<sup>th</sup> June. School uniform must be worn and students should be fully prepared with the correct equipment as well as arriving to their exam 10 minutes prior to the starting time. More detailed information and the exam timetable for Year 10 and 11 students will be coming home in the next couple of weeks.

Students in Year 9 will be having their exams in the week beginning Monday 8<sup>th</sup> June. Exams for Humanities and Science will take place in their class times. Their English exam will take place on Thursday 11<sup>th</sup> June from 12 pm – 1:15pm, and Maths will be Friday 12<sup>th</sup> June also from 12 pm – 1:15 pm.

‘Like’ us to keep in touch with some of the fantastic events happening at our college and to celebrate the achievements of our students.

Sascha Foster (ICT Admin Leader)

**Parent and Professional Sessions**  
**THE IMPACT OF VIDEO GAMING**  
Presented by Steven Dupon, of [videogames.org.au](http://videogames.org.au)

**June 18 - Geelong Performing Arts Centre**  
**Limited places - Professionals 1-4pm, Parents 6-8pm**

Video games are one of the most popular forms of entertainment, and have proven benefits for young people. However there is a growing body of anecdotal and academic evidence about the negative impacts.

These workshops will help you understand young peoples motives for play, look at risks & links in gaming/gambling and learn how to protect your young person.

We will also talk about excessive gaming and mental health issues and show you practical tips to help manage these and young people’s video gaming behaviour.

\$5 per person. Limited places, book early! GPAC Boxoffice - Little Malop St, phone 5225 1200 or [www.gpac.org.au](http://www.gpac.org.au)  
Professionals: No invoicing is possible.
