Public Transport

Effective from the 21st June are changes to public transport which appear to affect students travelling from Werribee. Students travelling from Werribee or using the Werribee train line will have to catch bus #190 in order to get to the new Wyndham station as the Werribee train is no longer stopping in Lara. Once at Wyndham they will be able to catch the appropriate train to Lara. We are also receiving reports that there will be changes to the transport arrangements for students using public transport from Corio. As this is a public transport issue we would encourage affected families to access the PTV website: ptv.vic.gov.au and then to the Journey Planner which should provide you with time and information required.
